

Devola Resident Survey

Devola Residents – Please fill out the survey below. This will help us better understand the situation at your property as we move forward with the design of the new sanitary sewer.

Name: _____

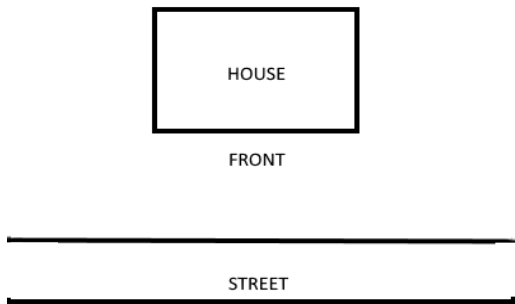

Property Address:

(Please check one)

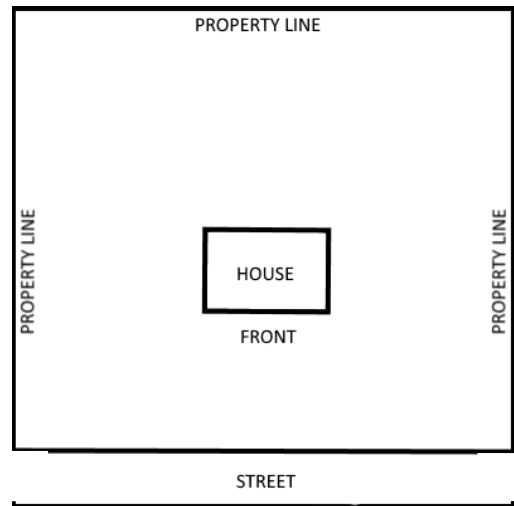

Rent

Own

Do you know the approximate location where your sewer line currently exits your house? If so, please mark it on the diagram below.

Do you know the approximate location of your current septic tank and leach field? If so, please mark it on the diagram below.

Would you prefer the sewer main to be in the front or back of your property?

What landscape features / home improvements are you most concerned about preserving during the construction process (patios, pools, trees, sheds, etc.)?

Are there any additional comments / concerns you may have in regards to the project?
