Name: _____

Property Address: _____

Phone Number: _____ Email: _____

Do you know the approximate location of where your sewer line exits the house? Do you know the approximate location of your septic tank? Please mark them on the diagram below

Have you seen/understand the proposed location of the main, lateral and grinder pump locations?
Yes ___ No ___

Are you generally satisfied with these locations? Yes ___ No ___

If not, please draw on the diagram where you would prefer them to be located. We will work to accommodate this request but cannot guarantee we will be able to so.

List landscape features / home improvements you are most concerned about preserving during the construction process (patios, pools, trees, sheds, fences, etc.) _____
